S W I M M I N G

The New Berlin Swim Club (NBSC), a non-profit coach/parent run organization, has offered the community a youth swimming program for over thirty years. We are dedicated to promoting healthy and safe recreational and competitive swimming for children as young as 5 years old. There are approximately 100 area young people in the program at this time. We strive to teach skills that are safe, healthy, effective and fun. These swimmers are given the opportunity to exhibit the skills they work so hard to achieve by participating in area swim meets.

NBSC hosts three swim meets per year, typically in Fall, Winter and Summer. Meets are held at facilities such as the Klotsche Center on the University of Wisconsin-Milwaukee campus and the newly developed Waukesha South High School Natatorium.

The proceeds of our meets, club fees and fundraisers only partially help cover the expenses of running our club throughout the year. These expenses include pool and liability costs, meet official's fees, coaching staff, equipment, etc. This is why business sponsorships are important to our success.

We ask you to consider becoming a Business Sponsor of the New Berlin Swim Club. We are hoping that you consider making a financial contribution in your upcoming budget. There are different levels of sponsorship, and any donation to the endeavors of youth sports is greatly appreciated. You may state you sponsorship at any time. Each level of sponsorship entitles your business to publish a message in the meet programs for the next three upcoming meets. In the program, you may promote you business or wish a swimmer good luck. You may choose to make a monetary donation without a message. Sponsorship levels are as follows.

Sponsorship Level	Amount	Message Size
Bronze	\$35	Business Card
Silver	\$75	Quarter Page
Gold	\$150	Half Page
Platinum	\$200	Full Page
Lane	\$300	Sign above Lane
Awards per Meet	\$500	Name on Awards

Any level sponsorship or other amount is greatly appreciated.

NBSC meets the IRS statues as a 501 (C)(3) registered non-profit organization. Our State of Wisconsin Charitable Organization number is 5689-800. Donations to NBSC are tax deductible. Please consider supporting the efforts of this youth swim program in your current budges.

Thanks for your consideration!!

From the swimmers, Coaches and Families of the New Berlin Swim Club.
