

NBSC Swim Meet at UW Milwaukee
Feb 3-4, 2007

We are asking all families of NBSC to volunteer for our club's swim meet. We require each family to fill 2 shifts during the two day meet. If you can find the time for more we would gladly accept your help. We will try to accommodate everyone's first choice if possible. Should you have any questions or suggestions please do not hesitate to contact us. Please place forms in the designated file at either pool's mailbox.
